To Whom It May Concern,

This letter is to serve as a recommendation for Janice Powell's candidacy into the Master of Arts in Design & Media Management program at the Art Institute of Tampa. As a student in my classes in the Graphic Design, Bachelor of Fine Arts program at the Art Institute of Tampa, Janice displayed persistence in working through solutions to design problems even when faced with some doubt as to what needed to be accomplished. She was always willing to ask questions and showed a willingness to work her way out of difficult situations to reach an acceptable conclusion.

I am sure her efforts in your graduate program will meet, if not exceed, what is expected of her. The exposure to the management side of design should prepare her well for a successful career.

If I can be of further help, please contact me at: pmiller@aii.edu

Yours truly,
