Student

The Art Institute of Tampa

1 new recommendation for this position: [Edit](#)

"Janice did an exceptional job on her Design Marketing project. The research of the piece was quite thorough; she gave careful considerations to all aspects of the design from the logo to the package and the outer box. It was a pleasure to have her in class, she came always prepared and ready to engage in the class topics." *March 23, 2011*

1st [Marcela Iannini](#), *Adjunct Professor, The Art Institute of Tampa*,
taught Janice at The Art Institute of Tampa
